Our delivery partner George Leslie will be carrying out this work on our behalf.

Taking care of your water supply in Liberton

What we are doing

We are conducting surveys of the network near your street to identify possible future work on the water network. This requires **closing a section of Gracemount Avenue to all vehicles.**

When are we doing it

Work will start in Gracemount Ave, Sun 14th June until Sat 20th June.

What happens next

- Your water supply and drainage services from your kitchen and bathroom will not be affected by our work.
- A section of Gracemount Ave between Nos. 75 and 81 (see overleaf) will be closed to all vehicles during the dates above. **No vehicles will be allowed to enter or leave the closure area.** Pedestrian access to properties will be maintained. Please follow all signs put in place.
- Traffic Management will begin to be setup on the evening of Sun 14 Jun for our site team to arrive, who will work Mon – Fri. With the traffic management removed completely from Gracemount Ave on Sat 20 June.
- Your refuse collections with Council will remain unchanged, please continue to operate as normal as our site team will maintain their collection within the road closure.

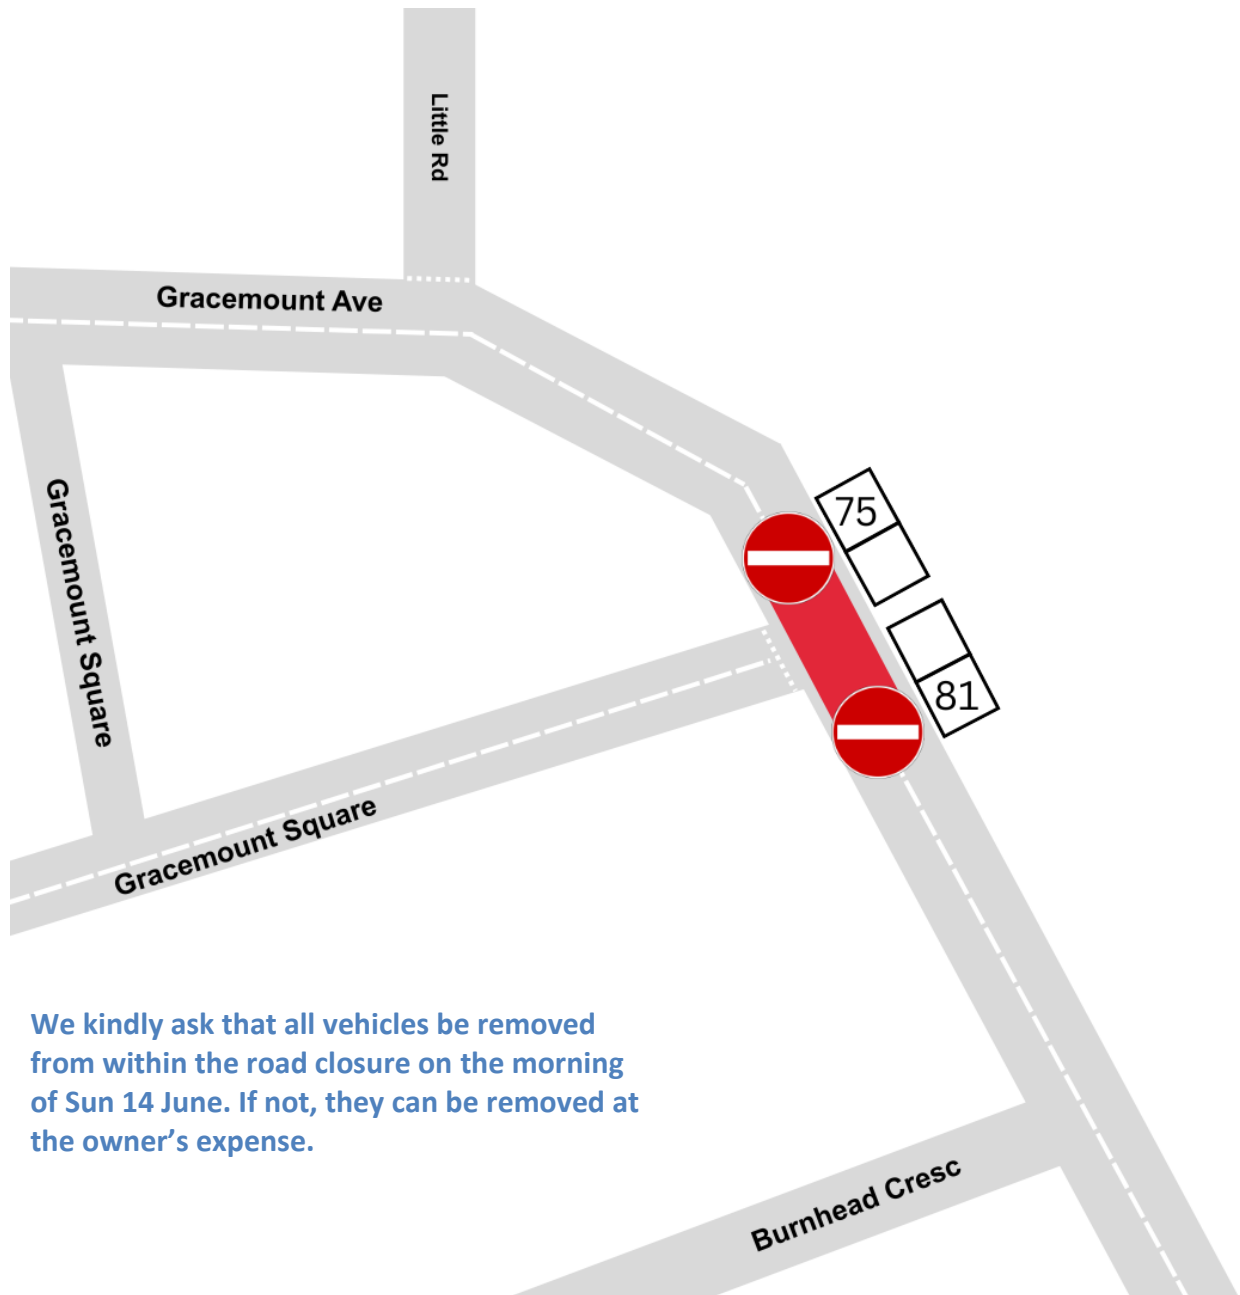

Thank you for your patience and understanding while we complete this essential work.

Callum Hunter
Communication Manager

scottishwater.co.uk

For illustrative purposes:

We kindly ask that all vehicles be removed from within the road closure on the morning of Sun 14 June. If not, they can be removed at the owner's expense.
