Taking care of your water supply in Liberton

What we are doing

We are conducting surveys of the network near your street to identify possible future work on the water network. This requires **closing a section of the Cumnor Crescent to all vehicles** for two weeks.

When are we doing it

Work will start on Cumnor Cres Sun 28th June until Sat 11th July.

What happens next

- Your water supply and drainage services from your kitchen and bathroom will not be affected by our work.
- **A section of Cumnor Crescent will be closed to all vehicles.**
- We will begin to cordon off the area Sun 28 June for our site team to arrive, who will work Mon – Fri. With the area restored to full access on Sat 11 July. (see overleaf)
- Pedestrian access to properties and footpaths will be maintained, **however no vehicles will be permitted within the closed off section of Cumnor Crescent.** Please follow all signs in place.

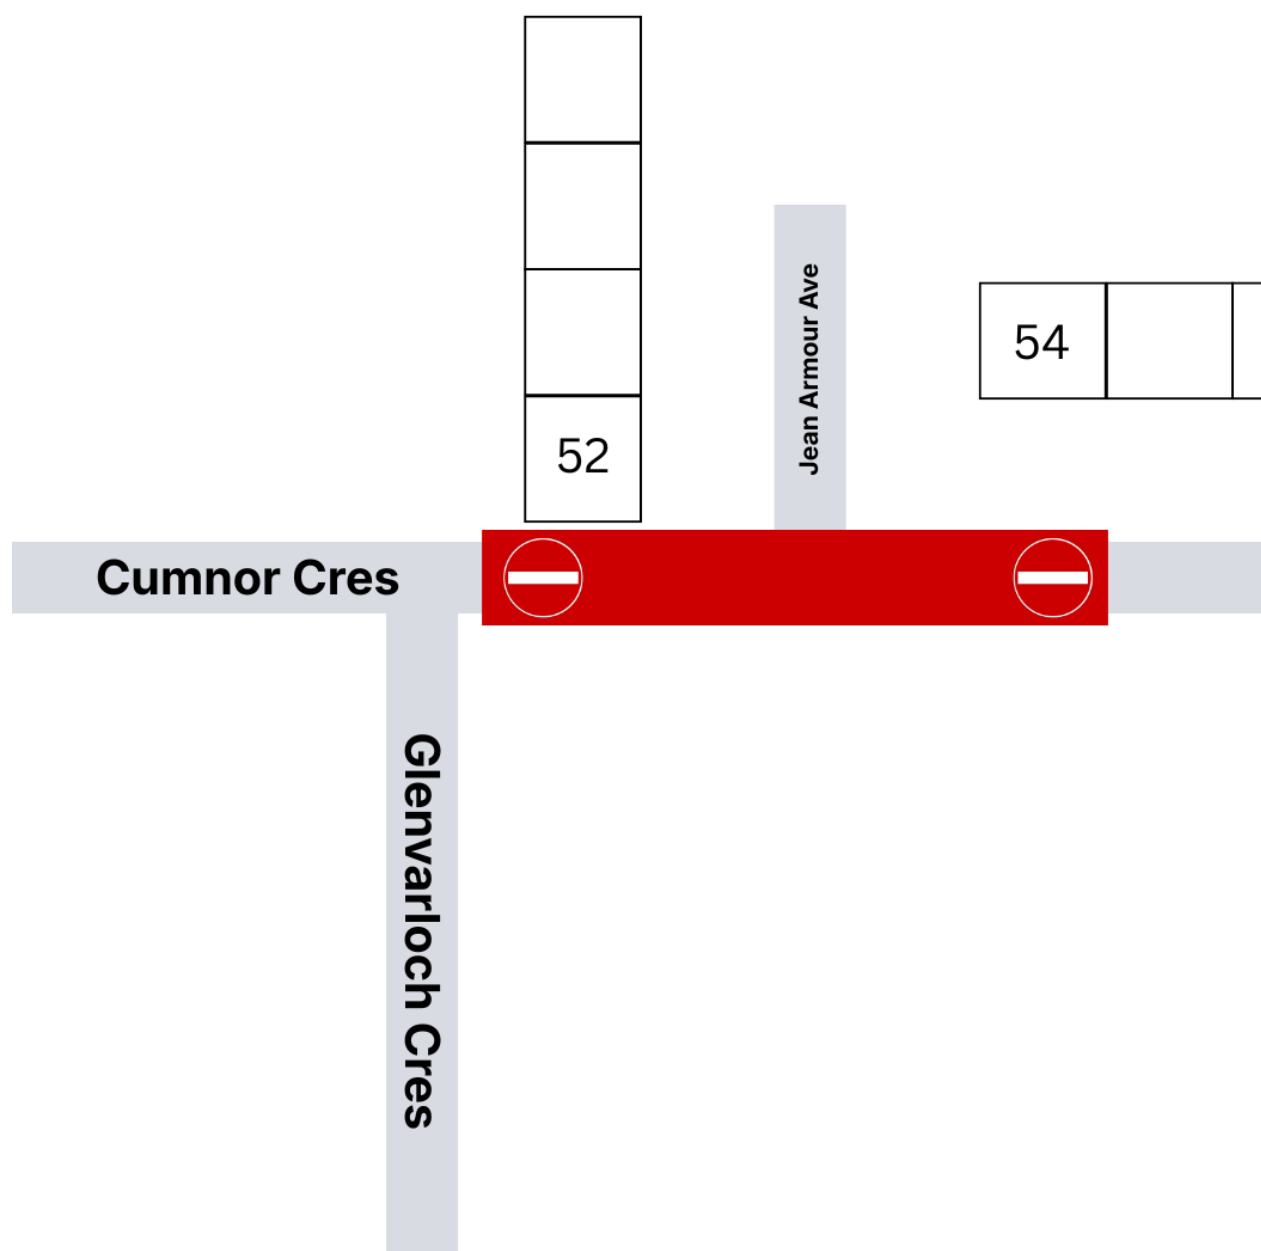

Thank you for your patience and understanding while we complete this essential work.

Callum Hunter
Communication Manager
