

13th August 2026

Project reference

Monklands/Horizons

This work is being carried out by Scottish Water's commercial subsidiary, Scottish Water Horizons, and contractor Mackenzie Construction.

Taking care of your sewer network in Airdrie

What we are doing

We are taking care of the sewer network in your community by upgrading the existing sewer network to support future development and reduce the risk of sewer flooding. The work is taking place on private land next to Craigens Road.

When are we doing it

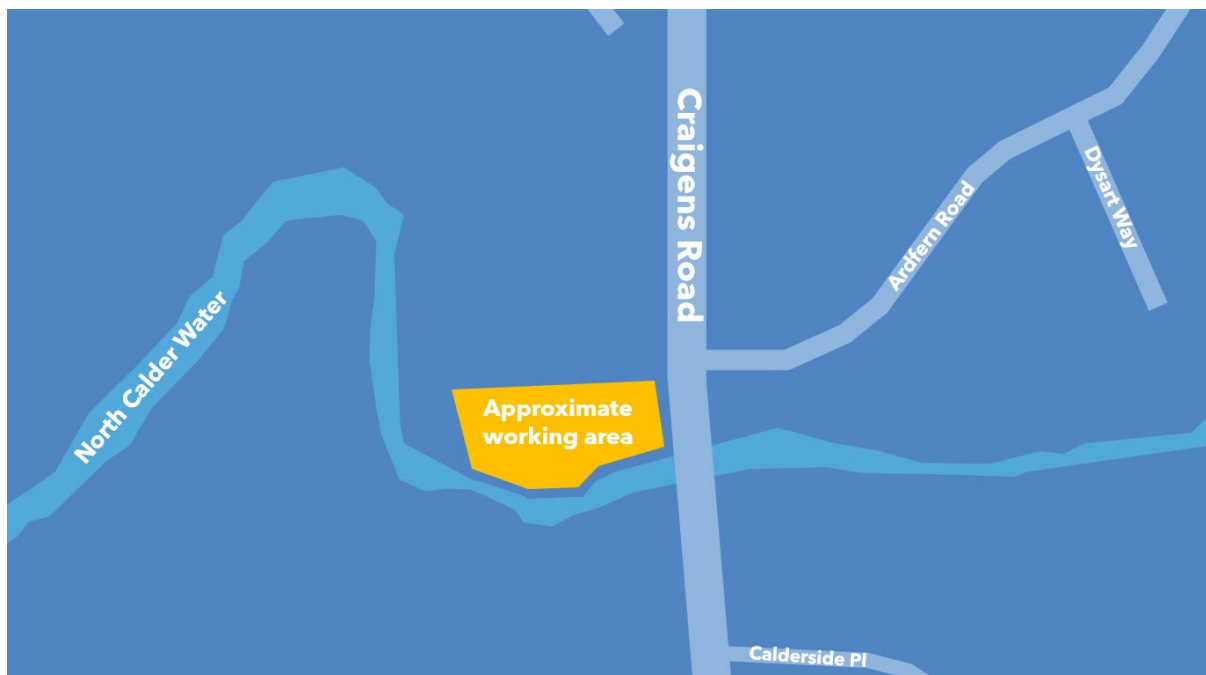

Sewer upgrade work is taking place on private land close to Craigens Road from Monday 10th August for approximately 8 weeks.

What happens next

- Sewer upgrade work is taking place on private land close to Craigens Road. An illustration of the approximate working area is shown on the other side of this letter
- This work is due to run from Monday 10th August for approximately 8 weeks
- Your water and waste water services should not be affected by our work
- This work is part of a large sewer upgrade programme and further information is available at: www.scottishwater.co.uk/monklands
